# Reduce Your Cyber Risks through Security Awareness Training

Empower the human and make them your strongest link

## BEHAVIOUR TRANSFORMATION

Engaging relatable, meaningful training courses will drive positive behavioural change in your employees.

## THREAT LANDSCAPE

Employees will be able to identify risks and keep up with new threats by practicing industry standards and regulations.

## HOLISTIC APPROACH

Our training improves employee preparedness for cyber threats for your industry, your organisation and their specific role.

## PROMOTE CULTURE

Cultivate your awareness culture with effective security awareness training, reinforcement materials and campaigns.

## EMPOWERMENT

Empower security enabled internal resources to focus on their positions as security professionals.

Your employees are frequently exposed to sophisticated attacks. Armed with cybersecurity knowledge and skills, users gain the ability to identify and respond to potential incidents with a positive impact on the organisation's overall cyber resilience. Meta Defence Labs Security Awareness Training Solutions engage end users with meaningful, relatable and impactful programmes that can help increase staff retention in your organisation

## WHY CHOOSE US

**INDUSTRY EXPERTS** - Our security professionals are dedicated to helping you achieve results and realize value. We work hard to deliver superior results and cutting-edge research to solve your complex, real-world security problems.

**CUSTOMISED PROGRAMMES** - We will help you build custom security awareness programmes that aligns with business objectives, culture, inherent risks and end user population. We use a role-based approach to implement custom threat emulation campaigns.

**LEADING BEST PRACTICES** - Our knowledge of leading best practices helps us to formulate security recommendations tailored to meet your specific business objectives.

**PROVEN METHODOLOGIES** - We have developed proven methodologies to help ensure superior outcomes for your projects and programmes.

**PASSION FOR SECURITY** - Our security leadership experts, backed by our team of consultants, can provide the experience you need to take your programmes to the next level.
